with hope

GIVING WITH A DIFFERENCE

Dear Mission Supporter,

What do you give that friend or loved one who seems to have everything?

This year, instead of gift wrapping a birthday present, why not help fund a Global Mission church-planting project in their honor?

Your gift could introduce people to Jesus for the first time in three of our greatest mission challenges.

| **10/40 Window**

| **Secular and Post-Christian Window**

| **Urban Window**

Your support will help plant new churches and train workers to share the gospel with their communities.

Your contribution will be multiplied by funding from every level of the church, including divisions, unions, and conferences. Together, following Christ's Method of Ministry, we can help reach those who have not yet heard the Good News.

Please note, 100 percent of your gift will go to the project you select.

May God bless you as you generously support His mission.

Gary Krause

Director

Adventist Mission

“Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure that you use, it will be measured to you.”

Luke 6:38 NIV¹

10/40 Window

Two-thirds of the world's population lives in the 10/40 Window. Less than half are reached with the gospel. Stretching from North Africa, through the Middle East, and into East Asia, the 10/40 Window is a high-priority area for mission. It's home to the major religions, fast-growing cities, and some of the world's most impoverished people. Millions of people in this region have never even heard of Jesus. With your help, we can change that.

THE 10/40 WINDOW

Planting Churches in the Middle East and North Africa

From Morocco in the west to Oman in the east, the Middle East and North Africa region

GM5280

is home to more than 600 million people, but only one in every 92,477 people is Adventist. Those who know the story of Jesus in this region typically have a distorted picture of Him and Christians. You can make a difference by funding church planters in this region. Remind people living in these ancient lands that the One who once walked among them is the Savior of the world Who can bring hope, peace, and healing to their lives.

SUGGESTED GIFT:

- | **\$70** will support a Global Mission pioneer for one day of work.
- | **\$500** is enough to sponsor a pioneer for a week.
- | **\$2,085** will sponsor a Global Mission pioneer
- | **\$25,000** will sustain a project for an entire year

Start New Groups of Believers in South Asia

Nearly 1.5 billion people live in the South Asia region but only 1 in every 1,228 people is Adventist. You can make a difference by helping to plant churches among the non-Christian communities in this region. Many here already believe that Jesus was a significant spiritual figure or teacher, but most don't yet know that He said, "I am the Way, the Truth and the Life. No one comes to the Father except through Me."

SUGGESTED GIFT:

- | **\$7** will cover project costs for one day
- | **\$48** will keep the project going for one week
- | **\$200** will run the project for one month
- | **\$2,400** will sustain it for one year

GM5245

Planting Churches in Southeast Asia

This region consists of 11 countries more than 675 million people speaking 800 languages. Although some nations such as the Philippines have a large Christian presence, 80% of the cultures are non-Christian and many have never heard the gospel of Jesus Christ. Your gift can send pioneers into unreached groups who do not yet have even one Adventist congregation.

Sixty percent of the global population lives in Asia, and most of these are in East Asia. This is a region where Buddhism, Shintoism, Taoism and Confucianism are practiced by the vast majority of people. You can make a difference by supporting church planters church planters who follow Christ's Method of Minsitry to start new groups of believers.

Planting Churches in Central Asia

Central Asia has six countries with approximately 122 million people living in cities, grassy steppes, and wooded hills. That's sparse compared to other parts of Asia. But the need of frontline mission is great. Less than 7% of the population is Christian, and only one in 32,620 is Adventist. Your gift will send a pioneering team to proclaim the good news of Jesus Christ and raise up a new Adventist congregation.

- | **\$95** will keep the project going for one week

- | **\$4,800** will sustain it for one year

Post-Christian Window

A growing number of people no longer identify as Christian

More than 1.2 billion people live in traditionally Western and Eastern European nations. And it's estimated that more than half of them are either

non-religious or non-practicing Christians. More than 1 billion people identify as non-Christians, atheists, or post-moderns. People between ages 16 to 25 are the least religious. Many Post-Christian people are searching for meaning and for answers to life's tough questions. Post-Christians need to feel connected to believers before gradually developing a relationship with God.

Planting Churches in the Trans-European Division

Europe is now a mission field. Most people living in this region don't know a personal God—someone Who loves them so much He sent His Son to die for them. For example, in the United Kingdom there are nearly three times more non-practicing Christians than church-attending Christians. Your gift for work in this region of Europe will support innovative

pioneers to establish new groups of believers in the British Isles, Netherlands, Scandinavia, the Baltics, and the Balkan states, or launch new work in Greenland or the Faroe Islands.

SUGGESTED GIFT:

- | **\$142** will cover project costs for one day
- | **\$1,000** will keep the project going for one week
- | **\$4,350** will run the project for one month
- | **\$52,000** will sustain it for one year

Planting Churches in the Inter-European Division

One hundred and fifty years ago, the Seventh-day Adventist Church sent its first overseas missionary, J. N. Andrews, to Europe to begin work in Switzerland. Today, Europe is a challenging mission field where the church is struggling to grow. Your gift will help plant groups where people can discover that there is a real, living God and He has a purpose for their lives.

SUGGESTED GIFT:

- | **\$142** will cover project costs for one day
- | **\$1,000** will keep the project going for one week
- | **\$4,350** will run the project for one month
- | **\$52,000** will sustain it for one year

Urban Window

More than half the world's population lives in cities.

According to some estimates, by 2050 two-thirds of the world's population will live in cities. In fact, today there are more than 20 megacities in the world, each one with more than 10 million inhabitants and most without an Adventist presence.

**Today, 55% of people live in Urban Areas.
By 2050, that number is estimated to be 68%.**

Planting Churches in Unreached Cities

Today, 55 percent of the world's population lives in cities. Billions of urban dwellers live the rat race—commuting to work by car or bus, struggling to make ends meet, always seeking to distract themselves from contemplating their loneliness, exhaustion, and sense of hollowness. Your gift will

help fund the setup of new church plants that will serve as lighthouses in cities around the world.

SUGGESTED GIFT:

- | **\$68** will cover project costs for one day
- | **\$475** will keep the project going for one week
- | **\$2,000** will run the project for one month
- | **\$24,000** will sustain it for one year

GM9735

Starting Centers of Influence in Unreached Cities

Urban Centers of Influence (UCIs) use Christ's method of ministry, ministering to people's needs, winning their confidence and then in-

viting them to encounter Jesus for themselves. These UCIs have the end goal of starting new groups of believers among unreached people groups. They are run by local members willing to provide their communities with medical care, holistic health education, and hope. Your gift can help start UCIs.

SUGGESTED GIFT:

\$120 will provide a day's worth of startup funds for a new UCI

\$835 will provide a week's worth of startup funds for the UCI

\$3,500 will provide a month's worth of startup funds for the UCI

\$42,000 will provide a whole year's worth of startup funds for the UCI

Sending Waldensian Students to Veiled Cities

Waldensian students are Adventist young people who choose to study in universities in the cities of Middle East and North Africa. Their goal is not just to study but to be a witness for Jesus and start new groups of believers. Because of government restrictions, we cannot show the names of these cities, so we refer to them as "veiled cities."

SUGGESTED GIFT:

\$140 will support a Waldensian Student for one day

\$980 will keep a Waldensian Student in school for one week

\$4,120 will fund a Waldensian Student for one month

\$49,450 will sustain a Waldensian Student for one year

All figures shown are estimates as costs vary from project to project and country to country.

Global Mission Pioneers

Outreach Training for Global Mission Pioneers

Global Mission pioneers are laypeople, usually young adults, who commit themselves to

planting new groups of believers in unentered cities and people groups. As indigenous workers, they are usually familiar with the local language, culture, and traditions. Please give to this fund to provide pioneers with necessary Bible training to effectively plant new churches in challenging areas.

SUGGESTED GIFT:

- | **\$27** will cover training for one day
- | **\$190** will run training for one week
- | **\$800** will fund the training for one month
