MISSION IMPACT FUND - 2027 APPROVED PROJECTS

Project Name	Project Description	Division
The Cave Dwelling Heating Project	Installation of heating systems for elderly cave dwellers. These peoples have lived in cave dwellings many years without adequate heating in harsh winter, which weakening their immune systems and raising the risk of fly and stroke. (1) Communicate with the local community to understand their needs. (2) Do home-visitation and installation of equipment for thirty (30) families. (3) Host intro-duction sessions and conduct 20 gospel-health outreach events. (4) Follow up with these thirty families, hold Bible study sessions for interested.	CHUM
Community Youth Fitness Evangelism	Building on 2025's success, our "Fitness Center of Influence" in a prime commercial hub breaks barriers to reach secular youth. We integrate Adventist health to mentor 500+ youth annually in wholistic faith and wellness. (1) Addressing youth's internet addiction and isolation by using fitness to draw them from virtual screens back to real-life community. (2) Using fitness to combat digital addiction and stress through integrated physical, mental, and spiritual support (IWG 2.3). (3) Transitioning youth from exercise to "unrushed prayer" and Bible study, fostering authentic spiritual connection (IWG 1.4). (4) Scaling 2025 success by hiring three Coach Evangelists to lead youth toward baptism and stewardship (IWG 1.7).	CHUM
Tai Po Disaster Relief Outreach	Continuation of 2026 outreach, extending holistic care (material, emotional, spiritual). Core activities: bi-monthly home visits, regular courses (life education, Bible study), special lectures (emotional healing, resilience), festive gatherings, volunteer appreciation. (1) Target: 40 disaster-affected households, 200 unique individuals (450 attendances). (2) Outcomes: trust-building, resilience, discipleship growth, and community cohesion. (3) Dual impact: comfort for victims+ spiritual growth for participants.	CHUM
Assistance for Vulnerable Ethnic Minorities	This project focus on poor households and disabled people. Most of the population (over 1.5 million) live in remote and backward areas where educational and medical resources are scarce, and we provide professional assistance. (1) Clean 20 households with physical disabilities once a month. (2) Provide regular pickup and care services for 8 patients requiring dialysis. (3) Provide food assistance from Jan - Dec, and sessions of health lectures. (4) Invite people to the group tea party for Bible study every two weeks.	CHUM

Project Name	Project Description	Local Church Name	Target Community	Division
New Life Wellness Center	There is large number of empty nesters and poor migrant workers living in this area. They frequently fall ill due to a long-term diet of unhealthy food and disordered lifestyle. They need healthy food and lifestyle provided by our church. This program will: (1) promote the health philosophy of SDA through videos, (2) build a kitchen providing free food according to New Start, (3) conduct biblical study, (4) rent an apartment for physical exercises.			CHUM
Renew Golden Years in Christ	This innovative project uses culturally relevant Gospel Cantonese opera, calligraphy, weekly life education and senior care to build friendships, meet community needs, so as to lead people from friendship to discipleship in Christ. (1) To organize weekly community programs for seniors and isolated neighbors. (2) Integrate spiritual formation into every cultural and social activities. (3) Host periodical cultural, festival, and seminar outreach events. (4) Encourage members to conduct home visits and care for lonely elderly.			CHUM
Inclusive Empowerment and Adapted Evangelization	This is an innovative inclusive empowerment and evangelization project by the Mangobo SDA Church. The center will provide adapted equipment for individuals who are in need of them. It will offer (1) inclusive evangelization (sign language, audio-visual tools). (2) Over 500 Braille Bibles will be distributed to blind beneficiaries. (3) Over 100 mobility and hearing devices will be provided (manual wheelchairs, crutches, hearing aids). The project aims to provide equipment and support to over 500 individuals with disabilities. The project's goal is to reach 2,500 individuals with "One Voice" through inclusive evangelization campaigns.	Mangobo, Kisangani	Mangobo/Kisangani	ECD
Bujumbura SDA Center of Influence	This project aims to establish an SDA Center of Influence in Bujumbura, addressing limited skills and digital access among youths, women and the wider community in Burundi's capital city. The center will create a welcoming environment with access to: (1) a co-working space with reliable internet and a cafe offering healthy meals. (2) a training hub delivering skills-based cohort programs on English language training, computer skills, cooking, and tailoring. (3) It will also host weekly Bible discussions open to everyone, fostering community impact while enabling Bible truth discovery.	Bujumbura English Seventh-day Adventist Church	Bujumbura	ECD

MISSION IMPACT FUND - 2027 APPROVED PROJECTS

Project Name	Project Description	Local Church Name	Target Community	Division
Oasis Wellbeing Bridge	We provide mental health support and mobility tools to poor children and youth as an expression of Jesus' healing ministry. As a center of influence we bridge the gap for the reached through wholistic wellness support using Christ's method of service by: (1) Mobile medical outreach - provide specialized mental health care to the unreached. (2) Poverty Alleviation - Distribution mobility aids to restore in independence to the poor. (3) Community Restoration - "Wellbeing and Hope Expo" and prayer sessions. (4) Wholistic Discipleship - Transition reached households into a life of discipleship.	Oasis Seventh-day Adventist Church	Oasis Area/Eldoret	ECD
Health Missionary & Community Service Center	This project aims to construct a Health Missionary Center in Gibe Valley. Oda Town, Ethiopia. The area is predominantly inhabited by Muslim and Orthodox communities, with limited access to basic healthcare and social services. The center will provide essential health services, promote: community well-being, and serve as a platform for outreach and mission activities. The project seeks to transform an underdeveloped area into a sustainable hub for community service.	South Shewa Ethiopia Field Seventh-day Adventist Church	Gibe Valley - Oda Town	ECD
"Tumen Prayer Digital Network"	The project "Tumen's Digital Prayer Network" unites a community for service: different generations (youth and adults) serving by their spiritual gifts for online prayer ministry that leads to in-person discipleship. (1) Digital missionaries (youth) run targeted prayer campaigns on social media. (2) A prayer group (adults) supports every prayer request received online. (3) Online pastoral care builds trust and leads to in-person events (concerts, small groups). (4) Acquire 50 students of the Bible School. (5) Baptize 15 people.	Seventh-Day Adventist Church in Tyumen	Tyumen - 1	ESD
Women's Club "Meridian"	The innovative project, the women's club Meridian is conceived to reach secular women of different social strata and ages and spark their interests in reading and studying the Holy Scriptures. The needs of women, who constitute the majority of the population, for communication and acquiring modern skills (internet safety, stress management, healthy cooking, etc.) will be met. The project, in an attractive form, using a combination of modern communication and modern methods (interactives, master classes, etc.) and various church programmes, offers women a platform for casual acquaintance with the Seventh-day Adventist Church and its members, and with the Bible, for further attraction to studying Bible lessons and baptism.	Seventh-day Adventist Church 3, Minsk	Seventh-day Adventist Church 3 in Minsk	ESD

The Place	San Francisco Central Seventh-day Adventist Church is launching The Place — a community service hub and young professional church plant in America's least-reached urban area, with only 1 Adventist per 1,100 residents. The Place delivers structured Grief Recovery, Mental Health Support, Financial Literacy, and Career Coaching programs to all Bay Area residents. Selah Lab, Zion Studio, and OYIM missionaries sustain a leadership team trained to serve. All 13 Adventist churches in San Francisco will collaborate to use these resources. Every program creates an intentional pathway from community service to Christ-centered discipleship.	San Francisco Central SDA Church	San Francisco	NAD
A Fresh Start	The project is to assist inmates (returning citizens) to assimilate successfully into society by providing life skills, job training, mental health services and support, so that they will be able to effectually return to a productive and meaningful life. (1) Job training and employment service will be available. (2) Mental health services to deal with past trauma. (3) Life skills and computer training. (4) Conducting a yearly Daniel and Revelation Series for interested persons at the center.	AppleCreek Seventh-day Adventist Church	General population	NAD
Wellness to Discipleship	Capitol Hill SDA Church will deploy its outreach arm, the Capitol Hill Counseling & Resource Center as a OneVoice27 "All Things New" wellness hub bridging two communities: affluent, post-Christians and under-resourced D.C. residents in Wards 6,7,8. (1) Licensed Christian clinical counseling, wholistic wellness programming, Bible discovery cohorts, (2) trained lay bridge-teams will execute Christ's method: mingling with neighbors, (3) ministering to felt needs, winning confidence and inviting them to follow Him - operationalizing the gospel as both rescue and refuge for a city in search of hope.	Capitol Hill SDA Church	Washington, DC, Wards 6, 7, 8	NAD

Project Name	Project Description	Local Church Name	Target Community	Division
"Más Vida" Comprehensive Wellness Center (Centro de Bienestar Integral "Más Vida")	Implement an urban space as a Center of Influence that serves the community first, with health, nutrition, culture and family counseling services, and secondly evangelizes, following the method of Christ. (1) Church members strengthen their evangelizing capacities. (2) Adaptation of the environments for the Center of Influence. (3) Mission space with active community services and personal counseling. (4) Integration of people into church activities and evangelistic courses.	IASD San Isidro	San Isidro, Magdalena	SAD
CVS Candido Sales - Centro de Influencia	We are one of the Brazilian cities with the highest proportion of Adventists, yet we do not have a single Center of Influence serving the entire city. Through this project, we aim to take the church to meet the needs of the community, becoming more useful and relevant. (1) Helping people build and achieve their dreams. (2) Bringing Christ to all students. (3) Promoting financial independence for entire families through educational courses. (4) Bringing hope to people and families facing broken or difficult circumstances.	Candido Sales Seventh-day Adventist Church	Candido Sales BA	SAD
Shambavarungu Water Mission Project	The Shambavarungu Water Mission Project is a rural development and evangelism initiative serving the Zowa Community in Murombedzi District. The project will convert an existing diesel powered borehole to solar energy, providing free and reliable water to a community dip tank and public water points. It integrates irrigation and fish farming to improve food security, generate sustainable livelihoods, and support church mission activities. Through practical service, the church becomes a trusted centre of influence, opening doors for discipleship, evangelism, and long-term community transformation. (1) Converts an existing diesel-powered borehole to solar energy. (2) Scales up provision of free, reliable water to a community dip tank and public taps. (3) Integrates irrigation and fish farming.	Shambavarungu Seventh-day Adventist Church	Murombedzi District	SID
Love In Action	This project aims to empower our community by connecting people with the love of Christ, which drives positive transformation from the inside out and helps individuals live meaningful lives on Earth. (1) To ensure active Service Approach (Dynamic & Mission-Driven). (2) To have a daily Communion and Walk with God. (3) To embrace the Mission ("I will Go"). (4) To focused on the Mission & Engage in TM!	Seventh-day Adventist Songsak Church Homeward Missionary		SUD

MISSION IMPACT FUND - 2027 APPROVED PROJECTS

Project Name	Project Description	Local Church Name	Target Community	Division
Managundi Community Project	Managundi Village is located in Dharwad District which is 55 miles from Section office, having a population of 4,918 people residing in 940 homes. 338 SDA believers meet for worship in a believer's house. (1) TMI and I will Go strategic focus is implemented in this village. (2) Members of Managundi church are sharing the gospel in 3 villages. (3) VBS, Young mothers counsel and agriculture training will be held. (4) One voice 27 is being promoted to evangelize the region.	Goa-West Karnataka Section	Managundi	SUD
Adult Literacy for Tribal Community	(l) Establish an Adult Literacy Centre in the tribal community at Navapur through the Adventist Church to provide basic reading, writing, and numeracy skills to illiterate adults. (2) Conduct systematic literacy classes using culturally relevant teaching methods and materials suited to the tribal population. (3) Provide holistic community services, including health awareness, hygiene education, and life-skills training as part of the literacy program. (4) Utilize the literacy center as a community outreach platform to build relation-ships and support the One Voice 27 initiative of the General Conference, focusing on reaching unreached communities. (5) Engage trained local volunteers and church members to teach literacy and mentor learners, ensuring sustainability and community involvement.	Central Maharashtra Conference	Navapur, Nandurbar District	SUD
The Journey of Faith	This is a digital-to-person evangelism pathway for spiritually searching, secular and questioning people who may never attend church first. Through a dedicated website, a safe space can be provided for honest seekers and guide them to Christ-centered discipleship. (1) Reaches people privately through digital platforms and QR-code entry points. (2) Addresses hard questions about God, Scripture, suffering, purpose and faith. (3) Connects online engagement to prayer, Bible study, visitation and discipleship. (4) Creates reusable local church model for secular and post-Christian outreach.	Slough Ghana Seventh-day Adventist Church	Spiritually searching, secular	TED

MISSION IMPACT FUND - 2027 APPROVED PROJECTS

Project Name	Project Description	Local Church Name	Target Community	Division
Good Start - Family & Marriage Support Center	(1) Establishment of a Family and Marriage Support Center as a safe, open, and welcoming "Center of Influence" serving the local community. (2) Programs designed for families, couples, youth, seniors, and individuals, open to both religious and non-religious participants. (3) Integrated approach combining relational education, community integration, emotional support, and spiritual growth. (4) Regular workshops addressing communication, marriage enrichment, parenting, family finances, emotional well-being, and healthy lifestyle. (5) Group activities for children and youth focused on creativity, values, and positive identity development. (6) Small group programs for families interested in spiritual growth grounded in Christian values. (7) Focus on relationship-building, trust, and long-term engagement rather than short-term events. (8) Designed as a sustainable and replicable model adaptable to other communities.	Jelenia Gora Church	Jelenia Gora community	TED
Center of Positive Change	We would like to establish a Center of Positive Change as a relational, mission-focused space outside the church building for polish community and refugees from other countries. Our goal is to reach people who would not normally cross a church threshold, build authentic relationships with them, and naturally introduce Christ through everyday life experiences leading to the formation of new discipleship groups. We believe small, interest-based groups are one of the most effective tools for discipleship and church growth today. That is why this center will operate primarily through thematic groups that respond to real community needs: health, mental well-being, family life, and personal development. We are already running our Health Club and Cooking Classes and we would like to expand our activities. The center will host activities such as health and lifestyle programs, Bible based discussion groups for youth and adults, mental health support like The Journey to Wholeness l2 Steps ARM, family and parenting meetings, children's activities, creative and recreational clubs and many more. This project is innovative because in Poland as we have only one center in Zielona Gora (west part of Poland). It integrates holistic ministry with intentional discipleship, creating a reproducible model for urban mission.	Seven-Day Adventist Church Lodz Widzew	City of Lodz	TED

Mom, Dad, how to... ?	Mom, Dad, how to... ? - an educational project for children from military families, internally displaced persons (TDPs) and other socially vulnerable groups. Teaching practical skills to boys and girls at a local church, as well as fostering connections with their families. Introducing these families in general, and the children in particular, to Jesus Christ through interaction with church members, visits to a Pathfinder camp, and membership of the Pathfinder Club. And also "harvest" in the form of Bible study lessons for the families of these children.	Biliaivka Seventh-day Adventist Church	Residents of Biliaivka, children of military personnel families (both serving and those who have died in the line of duty), internally displaced persons and socially vulnerable groups	UUC
“Center of Influence: Your Space”	In today’s conditions, residents of the Sumy region — especially children, teenagers, and elderly people — need accessible spaces for physical, emotional, and spiritual renewal. The lack of safe environments for recreation, communication, and development leads to social isolation, declining health, and the loss of value-based orientation among young people. This project aims to create an open, safe, and welcoming environment where everyone can find support, personal growth, and a sense of community.	Seventh-day Adventist Church in the city of Sumy	For residents of the Sumy region, especially children and teenagers who need physical and spiritual renewal.	UUC
Community Transformation & Hope Center (CTHC)	(1) This project establishes a Community Transformation and Hope Center in Libreville designed to serve as a multi-functional outreach hub. (2) The center will provide continuous community services including literacy programs, youth empowerment training, health education, and small-group spiritual activities. (3) It integrates economic empowerment, lifestyle education, and relational evangelism to address real community needs. (4) The facility will be constructed using cost-effective modular methods and equipped with solar energy and digital tools to enhance sustainability and outreach. (5) The project aims to create a replicable model of mission-focused infrastructure that bridges community service and spiritual growth.	Dieu Mon Reconfort Church	Gabon Mission/CAUM	WAD
