2023 ANNUAL COUNCIL

A long-exposure photograph of a night sky. The Milky Way galaxy is visible as a bright, hazy band of light stretching across the center of the frame. The sky is filled with numerous stars of varying brightness. Below the sky, a dark silhouette of a mountain range is visible. In the foreground, a calm body of water reflects the light from the sky and the stars. The overall scene is serene and majestic.

Our focus is on eternity.

INTEGRATED FOR MISSION

6 TRAINING AND ASSESSMENT

KEY STRATEGIC ISSUE

For the past five years the Secretariat Development Program (formerly Secretariat Nurture and Evaluation Program) has significantly raised the importance and performance of division and many union administrators. Adjustments are needed to adequately address new areas, and to increase the usefulness of the document so it can be used at the conference level.

OBJECTIVES

1. To enhance the transparency, accountability, and credibility of denominational organizations, operations, and mission initiatives (IWG Leadership Objective 10)
2. Develop a revised Secretariat Development Program
3. Provide training to all division secretaries on the new Secretariat Development Program and its use (IWG KPI 10.2)
4. Develop a tracking system for all completed evaluations which can be plotted, and results entered into a central document

KEY PERFORMANCE INDICATORS (KPIs)

KPI 1 Develop a revised and updated instrument that takes into consideration specific issues related to individual divisions as well as the new areas of responsibilities implemented in all divisions

KPI 2 Conduct assessments in all unions not

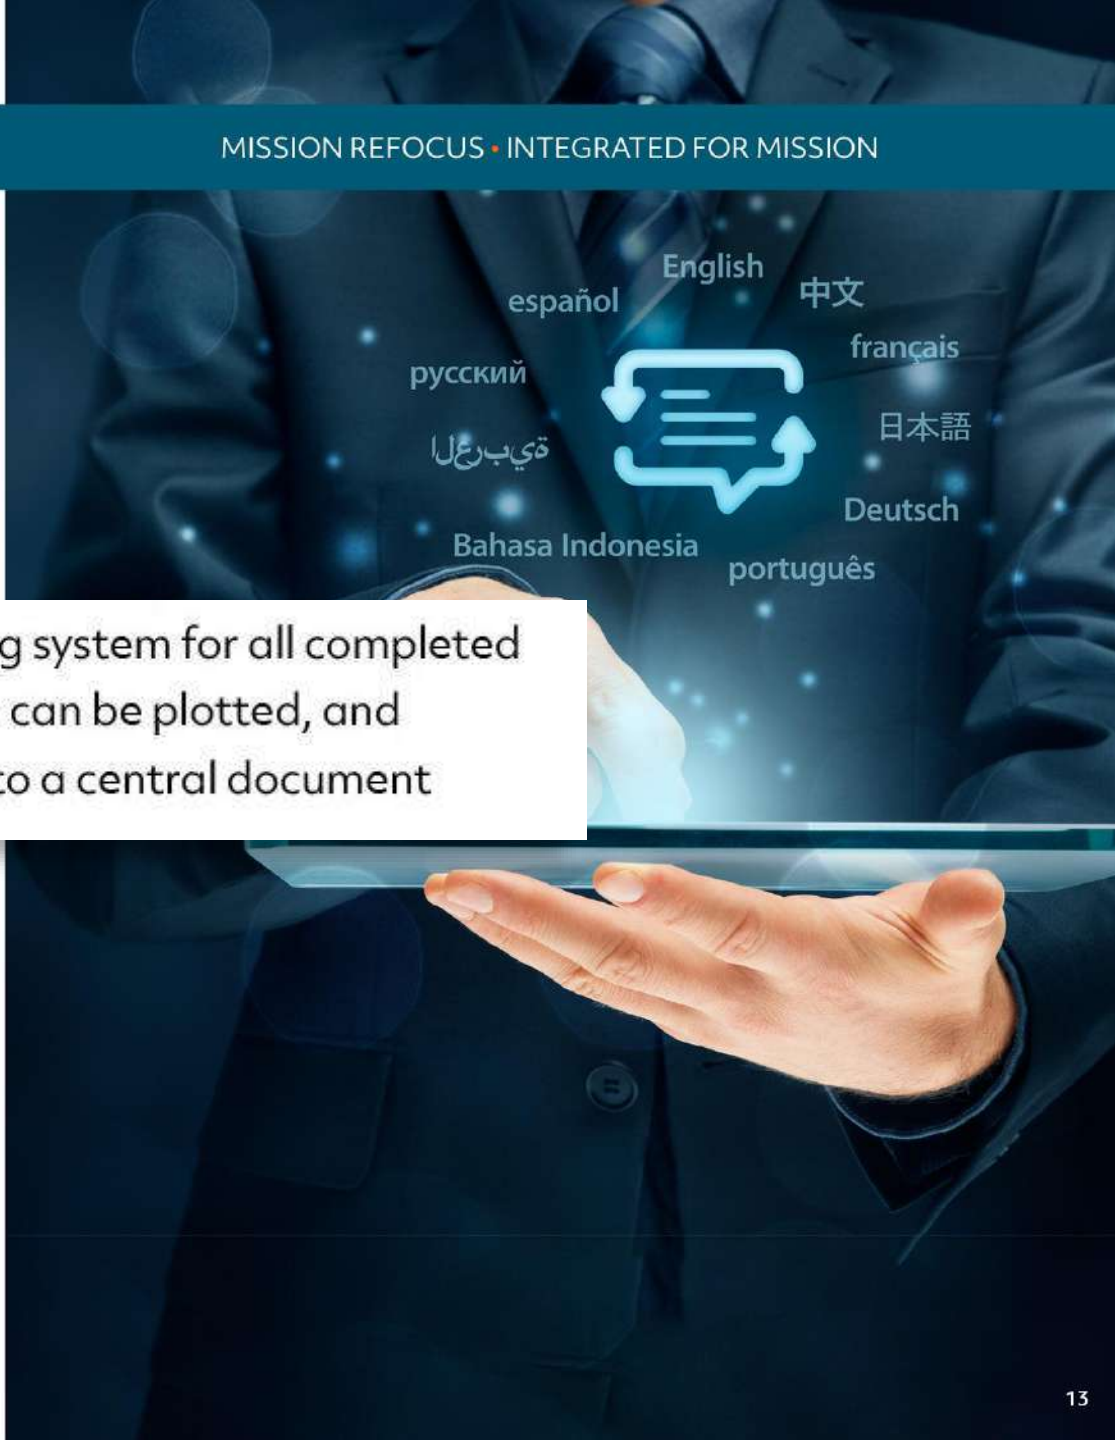

KPI

KPI 4 Train all division/union secretaries on the new instrument and its use (IWG KPI 10.2)

KPI 5 Develop and implement a tracking so all major recommendations can be plotted for all divisions

KPI 6 Develop and implement a follow-up system to track improvements on major recommendations for all divisions

4. Develop a tracking system for all completed evaluations which can be plotted, and results entered into a central document

EDWARD HEIDINGER

SAD Secretary at the conclusion of the Ecuador Union Secretariat Assessment

“Five years ago, we had the same program here and at that time this union was the most complicated in the organization of details in Secretariat. But now, we had a great result, and for us, this program allows us to achieve a higher level of excellence. We can better develop our leaders at union and conference level.”

EDMUNDO CEVALLOS

Executive Secretary, Ecuador Union Mission

“For us, to participate in this assessment was of great value. It has highlighted the whole range of Secretariat activities and has really made us grow. With the help of the Division and the General Conference, it helped us look beyond what we used to accomplish and reach a new level. It was a great blessing!”

MISSION OPPORTUNITIES

A dramatic, high-contrast photograph of a person silhouetted against a bright light source, likely the sun, as they push open a large, heavy metal door. The scene is set in a dark, industrial environment, possibly a warehouse or a large building under construction. The light creates a strong beam on the floor and a lens flare effect. The text "MISSION OPPORTUNITIES" is overlaid in white, bold, sans-serif capital letters across the center of the image.

with much prayer, and
sanctified by the merit of
Christ, will in the end
prove to have been
efficient for good.”

AUTHENTICITY

Churches that lose their identity and authenticity also lose their relevance.

The problem is not that the boat is in the water,
but that the water is getting into the boat.

The logo consists of a white circle with four dots at the top, bottom, left, and right, and the text "MISSION REFOCUS" is written in white, bold, sans-serif capital letters across the center of the circle. The background is a blurred airport tarmac with several airplanes, including a large white jet on the right and a smaller one on the left, under a cloudy sky.
