

PLANNED & TRUST GIVING & SERVICES

God First. God Always.

MISSION

Planned Giving & Trust Services (PGTS) exists to inspire, educate, and equip members to honor God with their resources and experience the joy of giving through biblically grounded generosity principles, ensuring their faith continues to speak beyond their lifetime.

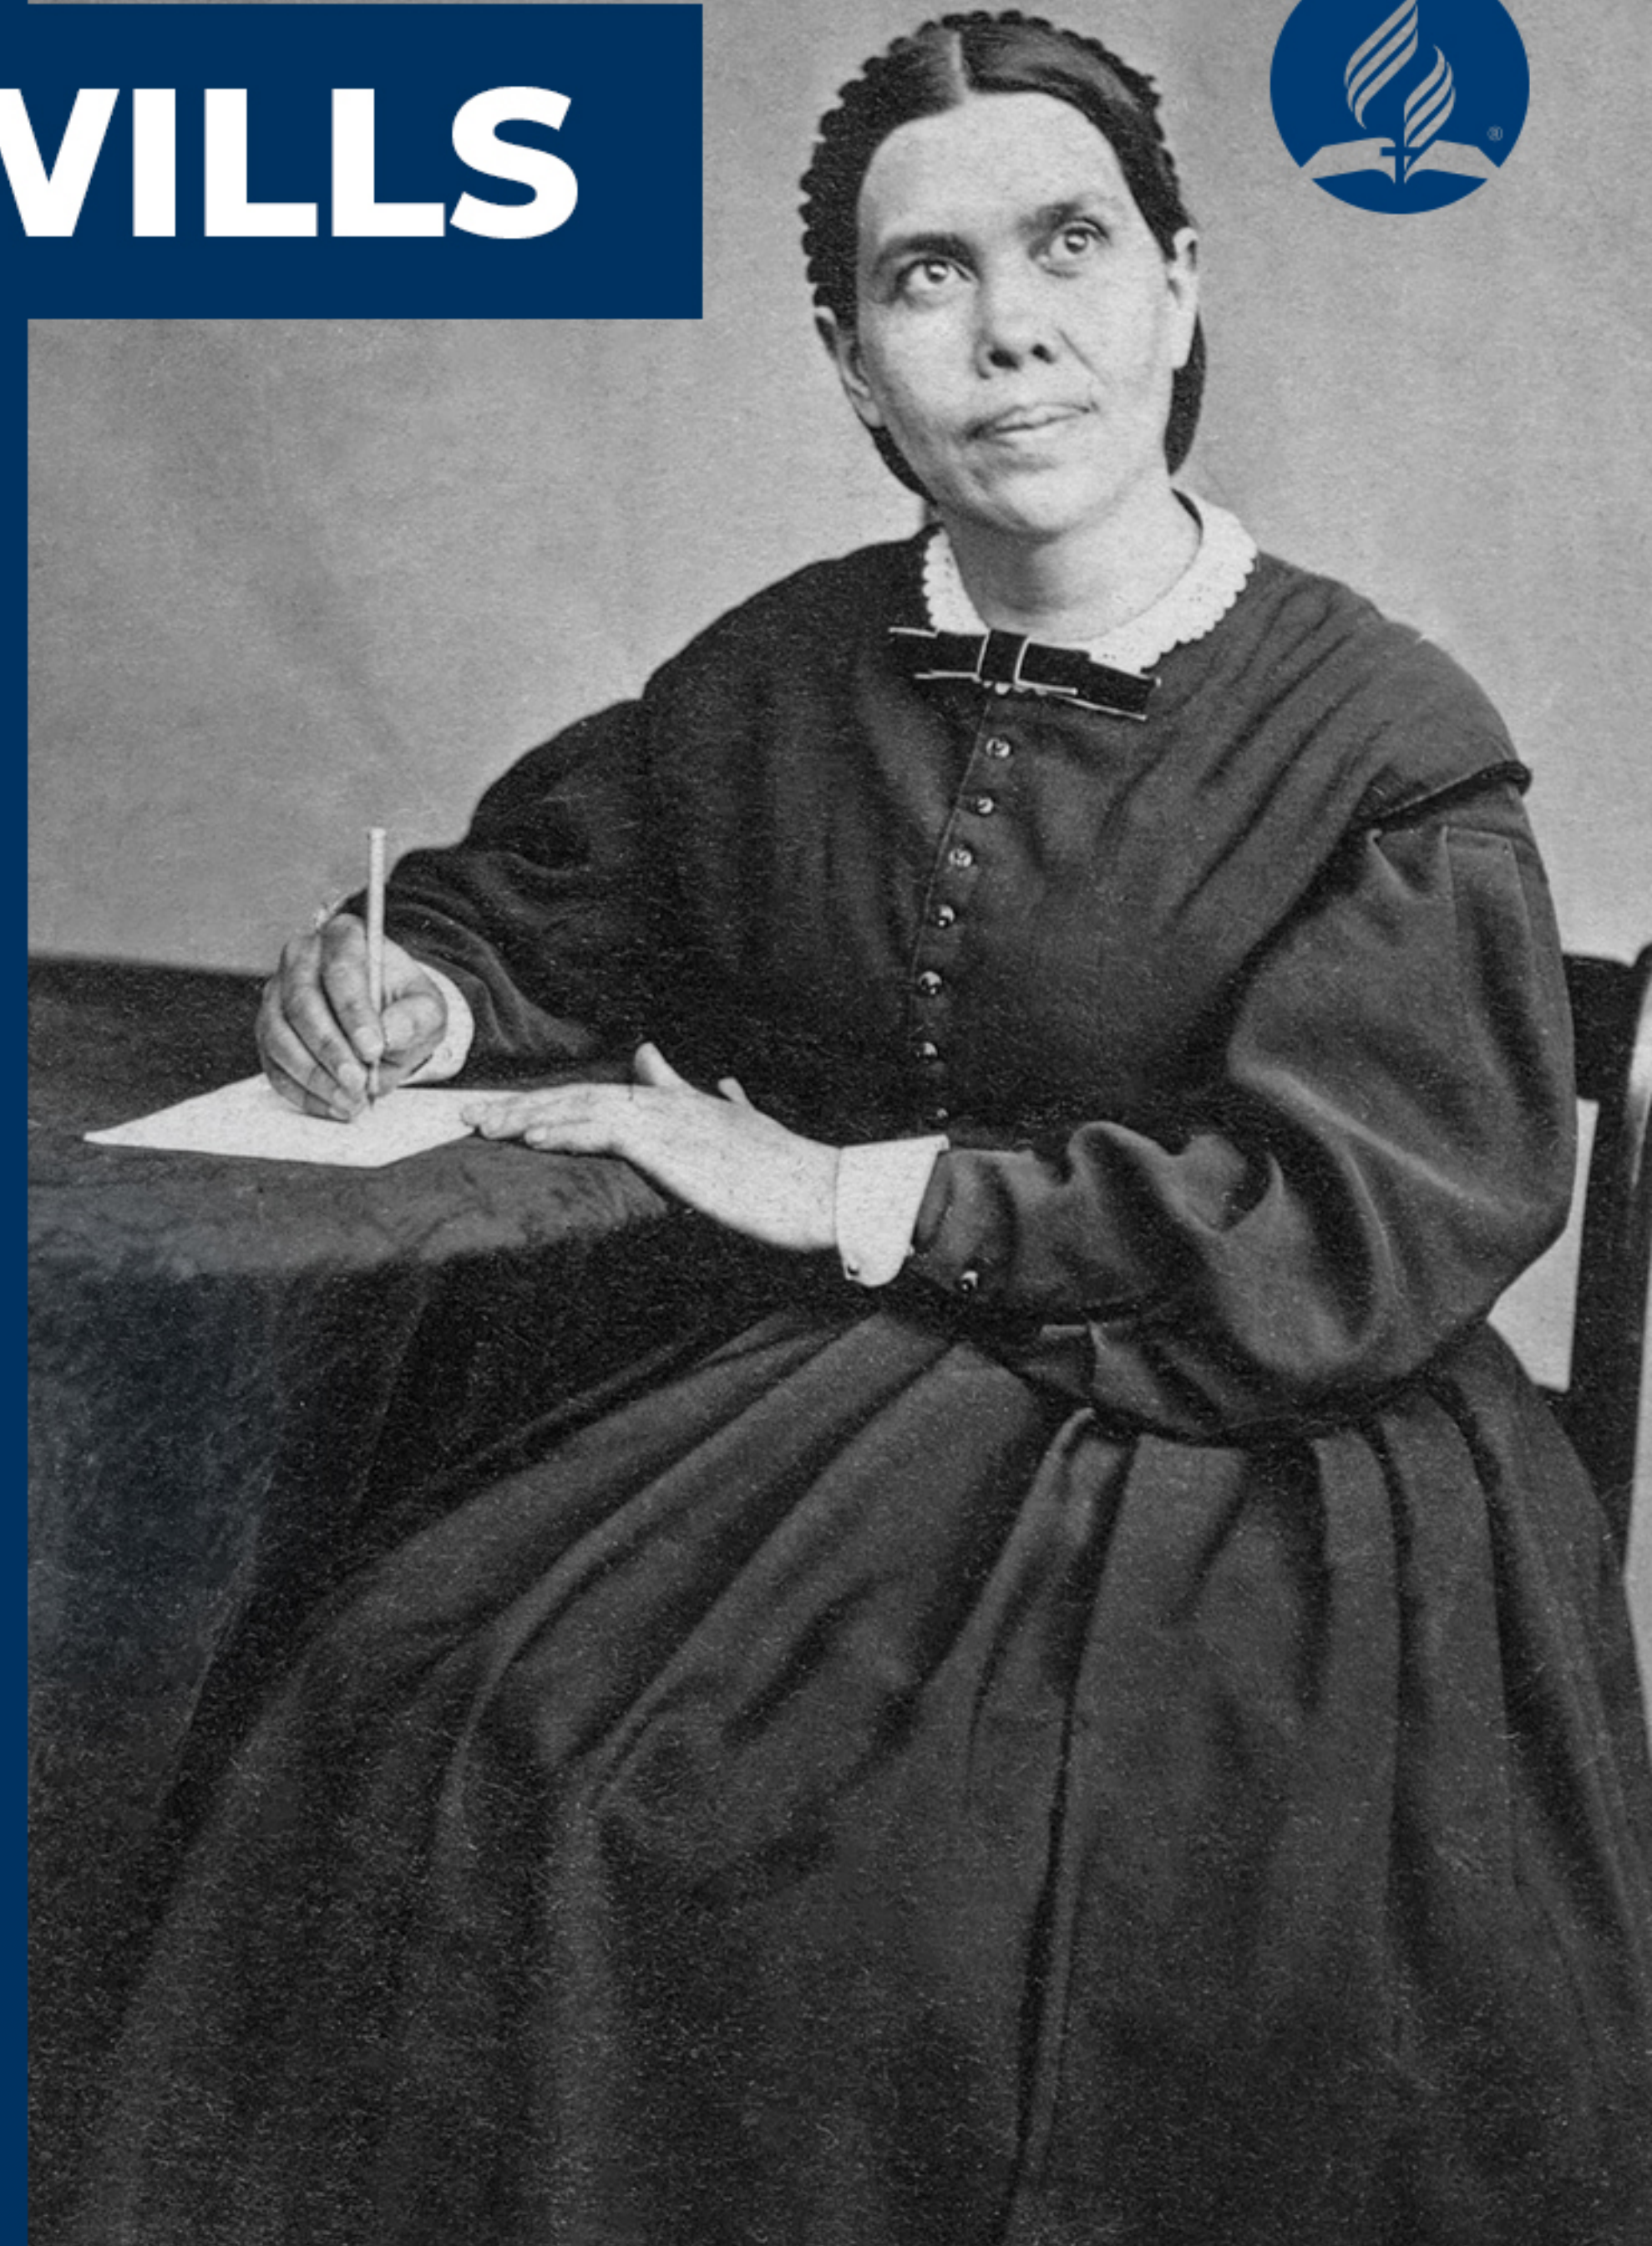

VISION

To empower God's people to practice faithful stewardship through planned generosity, creating enduring legacies that advance mission and prepare a people for Christ's soon return.

ELLEN G. WHITE ON WILLS

“Many manifest a needless delicacy on this point. They feel that they are stepping upon forbidden ground when they introduce the subject of property to the aged or to invalids in order to learn what disposition they design to make of it. But this duty is just as sacred as the duty to preach the word to save souls.” (CS 323.4)
